Subject: Sauget Sites - January 4 Agreement Deadline

----- Message Contents -----

Mike,

This is a follow-up on my voice mail to you earlier today, January 4, 1999, regarding the January 4, 1999 deadline for reaching an agreement with EPA, imposed by USEPA in its September 15, 1998 Special Notice on Sauget Sites Area I. Solutia is prepared to review and immediately respond to USEPA's proposal, but as of 3:30 PM, January 4, 1999, have not yet received USEPA's response to Solutia's December 16, 1998 proposal.

Please advise.

Sincerely,
Mike Light
Manager, Remedial Projects
